Dear Mr. Peragallo;

I am deeply grateful  
to Mr. Cianci for having  
recommended you.

The new pipe organ  
that you have built for  
St. Michael's Church definitely  
creates the desired dignity  
and mood appropriate to divine  
worship; and it provides the  
ideal background for prayer.

With every blessing for you and  
yours, I am  
Sincerely yours,  
(Rev. Vincent DiAmico)
